

Join us for a workshop
where you will learn
**THE ART OF
GUITAR BUILDING**

Don't play the guitar or bass? No experience
with instrument building or woodworking?

THAT'S OK!

Our workshops are designed for all ages and skill levels.
If you can turn a screwdriver, you can do this... and we
guarantee you will have fun in the process.

OUR WORKSHOP IS PERFECT FOR:

- Vacations & family outings
- Birthdays & anniversaries
- Bachelor & bachelorette parties
- Corporate team building
- Mother's & Father's Day
- School trips & more!

FULL-DAY WORKSHOPS:

Offered Saturdays year-round
(reservations required)

Classes start at 9:00am and last
6-8 hours depending on class size

Prices start at \$700
Lunch is included

Please bring comfortable working
clothes and closed toed shoes.
All tools and safety gear will be provided.

PARTIAL WORKSHOPS:

Shortened 3-hour classes are available.
You create it, we will build it and ship it to you!
(call for details)

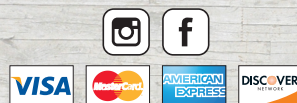

WEEKDAYS & SPECIAL EVENTS:

Weekday classes available for parties of 4 or more
(call for availability)

Mobile on-site building classes, banquet guitar
building and presentations also available

We are located in the heart of Music City in
Historic Germantown. Free on-site parking.

BUILD YOUR OWN CUSTOM GUITAR OR BASS!

- * No experience necessary – we will teach you *
- * Fun for families and groups of all ages *
- * Pros, novices, and non-musicians ALL WELCOME *

Our staff has over 75 years of combined hands-on experience in instrument design and manufacturing.

From sanding to staining, assembly, stringing and final setup, our team will explain each part of the process and walk you through every step in a

CASUAL & FRIENDLY ENVIRONMENT.

At the end of the class you will take home your very own custom guitar or bass that is ready to rock.

Whether you play it every day or just display it like a piece of fine artwork, you are going to love it!

Call us to reserve your spot and take home a one-of-a-kind souvenir from Music City!
